

Hurricane Dorian Activity Resumption

EFFECTIVE DATE: 09-10-2019

On September 6, 2019, FGMC suspended activity in the counties listed below due to potential impact from Hurricane Dorian.

Effective immediately, these counties have not been declared by FEMA and are released from disaster designation. Loan funding and/or loan purchase in these counties may proceed following normal business policy and are not subject to the FGMC Disaster Policy at this time. Should FEMA announce a disaster declaration for these, or any other county, a new alert will be published.
