

USDA Lender Agent Role

To deliver USDA loans to First Guaranty Mortgage Corporation, the Broker/Lender must follow the steps outlined below to obtain access.

Step 1:	Create a Level 1 account with USDA using the following link: https://www.eauth.usda.gov/eauth/b/usda/registration
Step 2:	Lender/Broker will receive an email from USDA indicating the GUS Login has been activated. The standard SLA is approximately 24 business hours.
Step 3:	Once the USDA Login is activated, complete all fields in the Broker/Lender Information section below and send to usdaprocessing@fgmc.com
Step 4:	FGMC will complete the activation process. The Lender/Broker will receive an email from FGMC indicating that your company is able to deliver USDA loans to FGMC.
Note:	All USDA loans submit must be ran with the FGMC Lender Agent Role. If this is not completed, the submission will be placed on hold until the findings are received, released and ran using the Lender Agent Role under FGMC's name.
